Missouri Department of Higher Education and Workforce Development

Background

The Coordinating Board for Higher Education was authorized by an amendment to the Missouri Constitution in 1972 and established by statute in the Omnibus State Reorganization Act of 1974.

Board members – one from each of Missouri’s eight congressional districts and one selected at large – serve six-year terms and are appointed by the governor with the advice and consent of the senate.

The Missouri Department of Higher Education & Workforce Development, led by the Commissioner of Higher Education, serves as the administrative arm of the Coordinating Board.

On Aug. 28, 2019, the Missouri Department of Higher Education, the Division of Workforce Development, and the Missouri Economic Research and Information Center transformed to become one department. In 2021, the department underwent a strategic planning initiative to help establish goals and strategies to encompass both aspects of education and training and the public workforce system. The plan, Building Missouri's Future, is used to drive the work of the department. In addition to goals related to workforce attainment and workforce participation, an internal goal to improve department culture and performance was also established.

VISION:

“Every Missourian empowered with the skills and education needed for success.”

COMMISSIONER:

- Dr. Bennett Boggs

COORDINATING BOARD FOR HIGHER EDUCATION:

- Hollie Elliott, Board Chair, District 4
- Allen Brooks, Vice-Chair, District 8
- Anne-Marie Clarke, Secretary, District 1
- W. Dudley McCarter, District 2
- Shawn Saale, District 3
- OPEN, District 5
- Phil Hoffman, District 6
- David Sater, District 7
- Brian Hammons, At Large Member

DEPARTMENT FTE: 399.50

DEPARTMENT DIVISIONS:

- Office of the Commissioner
- Office of Operations
- Office of Postsecondary Policy
- Office of Performance & Strategy
- Office of Workforce Development
- Office of General Counsel
- Office of Communications & Outreach

THE BIG GOAL

Best in the Midwest in educational attainment and workforce participation by 2030.

AT A GLANCE:

Missouri is home to a diverse higher education system that offers a variety of degree and certificate programs and specialized training.

The state's higher education institutions include:

-  13 PUBLIC UNIVERSITIES
-  12 COMMUNITY COLLEGES
-  1 PUBLIC TECHNICAL COLLEGE
-  1 TWO YEAR CAMPUS OF A PUBLIC UNIVERSITY
-  24 INDEPENDENT INSTITUTIONS
-  10 SPECIALIZED COLLEGES
-  19 THEOLOGICAL SCHOOLS
-  184 PROPRIETARY & PRIVATE CAREER SCHOOLS

MISSION:

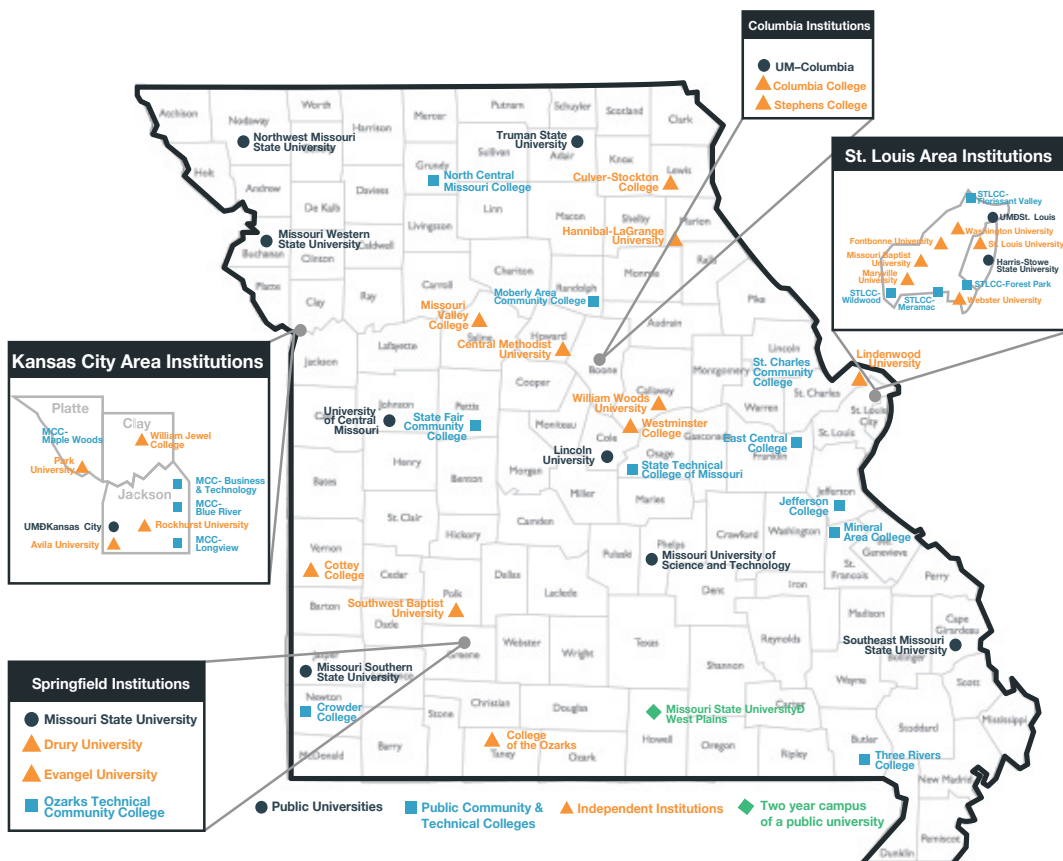

To put Missourians on a path to learn, work, and prosper.

DEPARTMENT WEBSITES:

<https://dhewd.mo.gov>
<https://meric.mo.gov>
<https://journeytocollege.mo.gov>
<https://jobs.mo.gov>

The Coordinating Board for Higher Education provides oversight for the state's higher education system.

MISSOURI COLLEGES AND UNIVERSITIES

315,000 STUDENTS
were enrolled at Missouri's public and independent colleges and universities in 2023.

89,332 DEGREES & CERTIFICATES
awarded by Missouri public, independent & proprietary colleges & universities during the 2022-2023 academic year.

58,579 MISSOURI STUDENTS
were awarded \$149,359,221 in grants and scholarships during Fiscal Year 2023.

SELECTIVITY:

Missouri's public colleges and universities follow a set of selectivity standards when considering students for admission. Institutional selectivity is standard admission criteria and includes such measures as a student's grade point average, high school class rank, and score on their ACT or SAT, or a combination of those scores. Some schools have open enrollment, meaning they do not take these standards into consideration when admitting students. Public community colleges must provide open enrollment. For more details about selectivity, <https://dhewd.mo.gov/about/policy/admissions-selectivity>.

SOURCES:

- Integrated Postsecondary Education Data System (IPEDS)
- Enhanced Missouri Student Achievement Study (EMSAS)
- MDHEWD Comprehensive Fee Schedule
- Per FTE appropriations data is based on Fall 2023 full-time equivalent enrollment and FY 2024 appropriations, after expenditure restrictions.
- Per degree & certificate appropriations data is based on 2022-23 degrees and certificates awarded and FY 2023 appropriations, after expenditure restrictions.

2024 ENROLLMENT

Fall 2024 FTE, Public Universities

Fall 2024 FTE, Public Community and Technical Colleges

2022-2023 NET PRICE

Net price is the total cost of attendance minus the average amount of awarded federal, state or local government, or institutional grant and scholarship aid.

Total cost of attendance is the sum of published tuition and required fees (lower of in-district or in-state), books and supplies, weighted average room, board, and other expenses.

Net price is reported for first-time, full-time degree- or certificate-seeking undergraduates paying the in-state or in-district tuition rate who were awarded grant or scholarship aid.

Average Net Price, 2022-2023

STATE APPROPRIATIONS PER FTE

State Appropriations Per FTE, Public Universities FY 2024

State Appropriations Per FTE, Public Community and Technical Colleges FY 2024

Lincoln University and the University of Missouri are land grant institutions, and both dedicate part of their core appropriation to a required federal match to support this mission. Lincoln received about \$10.4 million and the University of Missouri provided approximately \$29 million of its core funding for this purpose.

State Appropriations Per Degree & Certificate Granted, Public Community and Technical Colleges, FY 2023

DEPARTMENT OF HIGHER EDUCATION & WORKFORCE DEVELOPMENT

PUBLIC UNIVERSITIES

Missouri has 10 public universities, one of which is a system that includes four campuses. The institutions include five universities that got their start as regional teachers' colleges, two historically black institutions, and two universities that were initially community colleges.

COPHE, the Council on Public Higher Education in Missouri, is comprised of nine of Missouri's public universities, State Technical College of Missouri, and their presidents. The University of Missouri System is no longer a member of COPHE. COPHE is led by executive director Paul Wagner. The group elects a chair, who serves a two-year term. The current chair of COPHE is Dr. Elizabeth Kennedy, president of Missouri Western State University. The current vice chair is Dr. Dean Van Galen, president of Missouri Southern State University.

Each public university receives an individual line item appropriation for its core operating budget. The University of Missouri's appropriation is traditionally combined for their four campuses and the allocations to each campus are made by the Board of Curators. Most of the schools employ contract lobbyists and/or have dedicated government relations staff.

Harris-Stowe State University

History

The institution known today as Harris-Stowe State University began as two separate teachers' colleges. One, the first public teachers college west of the Mississippi, was a normal school established by the St. Louis Public School System for white students. This school later became Harris Teachers College. The second, Stowe Teachers College, was founded in 1890 as a normal school for black students. The institutions merged in 1954 as part of the State Board of Education's efforts to integrate St. Louis' public schools. The new institution was called Harris Teachers College and was subject to the State Board's authority. The State Board eventually changed the name to Harris-Stowe College. A 1979 statutory change moved Harris-Stowe from being subject to the State Board of Education's authority to the relatively new Coordinating Board for Higher Education.

Harris-Stowe's degree offerings were limited to elementary and middle school educator preparation for the first hundred years of the school's history. In 1993, SB 153 authorized the college to expand its mission to include applied professional disciplines, including business administration (with options including accounting, management information systems, general business, and marketing) arts and sciences (with options including early childhood, elementary, middle, secondary and education studies). In 2015, SB 334 authorized Harris-Stowe to offer master's degrees. In 2021, the institution was designated with a statewide mission in science, technology, engineering, and mathematics (STEM) for underrepresented and underresourced students.

Harris-Stowe State University is a Historically Black University (HBCU) with an 87% minority enrollment. As an open-enrollment institution, HSSU provides educational opportunities that are affordable, diverse and accessible for first-generation and under resourced students who are not always eligible for admission at the state's more selective colleges and universities. As part of the institution's commitment to its mission, it provides rigorous academic programs that prepare graduates for challenging and rewarding careers upon successfully earning a college credential.

Lincoln University

History

The institution known today as Lincoln University was founded in 1866 by African-American Civil War veterans as a technical school modeled after Booker T. Washington's Tuskegee Institute. In 1890, Lincoln Institute became a land-grant institution. The school was renamed Lincoln University in 1921. In the fall of 1954, Lincoln University expanded its historical mission to serve a broader population of students with varied social, economic, educational, and cultural backgrounds. Today, Lincoln University is a historically black, comprehensive public institution that provides educational opportunities, including theoretical and applied learning experiences, to a diverse population.

Lincoln University is an open enrollment institution that offers eight undergraduate degrees in 50 programs of study. The university also offers non-credit and continuing education courses for students seeking personal and professional development.

Missouri Southern State University

History

Missouri Southern State University was founded in 1937 as Joplin Junior College, later known as Jasper County Junior College. Legislation in 1965 authorized the school to offer third- and fourth-year courses as Missouri Southern College. It was renamed Missouri Southern State College in 1972 and became part of Missouri’s public higher education system in 1977. The school became Missouri Southern State University in 2003.

Missouri Southern is a moderately selective institution and offers bachelor’s degrees in over 140 major areas including liberal arts, teacher education, business and technology, pre-medicine, pre-engineering, and other pre-professional programs. The university also offers associate degrees in dental hygiene, computer information science, law enforcement, radiological technology, drafting and design engineering technology, manufacturing engineering technology, and respiratory therapy.

Missouri State University

History

Missouri State University was founded as a normal school in 1905. The name of the institution has changed several times through the years – Southwest Missouri State Teachers College in 1919, Southwest Missouri State College in 1946, and Southwest Missouri State University in 1972. In 2005, the school was renamed Missouri State University, reflecting its enrollment growth as well as higher admissions standards and increased graduate programs.

Missouri State is a selective institution, offering more than 100 undergraduate majors and 60 graduate degree options. Seven doctoral programs include a cooperative doctorate in educational leadership with the University of Missouri–Columbia, and a cooperative Doctor of Pharmacy program with the University of Missouri-Kansas City.

Missouri Western State University

History

Missouri Western State University is a student-centered learning community preparing individuals for successful careers and lives of excellence through experiential learning. As Missouri's official applied learning university, Missouri Western gives students opportunities to gain real-world experience before graduation. The institution was founded in 1915 as the St. Joseph Junior College and became a four-year college in 1969. In 2005, it became a university and was designated by the state as the official applied learning institution in Missouri. The 723-acre campus features 11 academic buildings, six residence halls, numerous trails and ponds, and the Griffon Indoor Sports Complex (summer training camp home of the Kansas City Chiefs).

The University has a proud tradition of providing a high quality, affordable education to students in Missouri, throughout the United States and beyond. Missouri Western provides innovative programs that help students persist to graduation, such as Gold Fridays, the Center for Service and the Griffon Guarantee Scholarship. The University meets regional workforce development needs by connecting students to the community through unique opportunities such as the Law Enforcement Academy, Center for Entrepreneurship and Center for Franchise Development.

Northwest Missouri State University

History

Northwest Missouri State University was founded as a state normal school in 1905. It became Northwest Missouri State College in 1949 and Northwest Missouri State University in 1972.

The moderately selective institution offers 95 undergraduate majors in areas such as education, business, agriculture, fine and performing arts, communication and mass media, behavioral sciences, health science and wellness, humanities and social sciences, English and modern languages, computer science, and natural sciences. It also offers 31 master's programs, five certificate programs, and three specialist programs. The university places an emphasis on profession-based learning to help graduates get a jumpstart on their careers, through hands-on coursework, more than 150 student organizations, and its internationally benchmarked student employment program. Furthermore, textbooks and laptops are included in tuition, saving students an estimated \$6,800 over four years.

Faculty: 230 full-time, 61 part-time

Leadership

Southeast Missouri State University

History

Southeast Missouri State University was founded in 1873 as the Southeast Missouri Normal School. It became Southeast Missouri State Teachers' College in 1919 and Southeast Missouri State College in 1946. The institution was renamed Southeast Missouri State University in 1972. The University has been regionally accredited by the Higher Learning Commission since 1915 and is consistently recognized among the best regional universities in the Midwest by U.S. News, Princeton Review, and others.

Southeast provides hands-on, award-winning academic experiences that prepare the next generation of nurses, artists, teachers, scientists and entrepreneurs. Southeast's programs anticipate and reflect the skills and knowledge industries from health care and agriculture to business and cybersecurity. It is one of only three four-year institutions in Missouri to be designated a National Center of Academic Excellence in Cyber Defense Education by the National Security Agency and the Department of Homeland Security (NSA-DHS). It is the only public four-year institution in Missouri with a separate campus dedicated entirely to the arts, and was named an Apple Distinguished School, that excels in integrating technology in the classroom.

Faculty: 335 full-time, 172 part-time

Leadership:

Dr. Carlos Vargas-Aburto

Locations:

In addition to the main campus in Cape Girardeau, Southeast Missouri State University has regional campuses in Kennett and Sikeston, Missouri. The University also has a regional campus site in Malden, Missouri, that serves as a destination for agriculture research and workforce development initiatives. Off-campus delivery sites are the Cape Career and Technology Center, the Poplar Bluff Delivery Site, and Southeast Online.

Truman State University

History

The mission of Truman State University is to offer an exemplary undergraduate education to well-prepared students, grounded in the liberal arts and sciences, in the context of a public institution of higher education. Founded in 1867 for the primary purpose of preparing teachers for public schools, in 1985 the Missouri General Assembly designated the institution as the only statewide public liberal arts and sciences university. Truman offers affordable undergraduate studies in the traditional arts and sciences as well as selected pre-professional, professional and master’s level programs. It provides extensive undergraduate research opportunities. A large number of students participate in structured research with faculty in and out of the classroom.

University of Central Missouri

History

The University of Central Missouri was founded in 1871 as a regional teachers college. It became Central Missouri State College in 1946 and Central Missouri State University in 1972. It was renamed University of Central Missouri in 2006. University of Central Missouri is a moderately selective institution. It offers 150 areas of study and focuses on professional applied sciences and technology.

UCM offers bachelor's, master's, and education specialist degrees, as well as certificate programs for individuals seeking professional development. The university also collaborates with two other institutions to offer cooperative doctoral degrees and has entered agreements with other institutions that provide innovative educational pathways toward degrees in less time and at less cost than traditional pathways.

University of Missouri-Kansas City

History

The University of Missouri-Kansas City's roots run back to the 1880s. Three professional schools that are now a part of the university were founded in the nineteenth century: the School of Dentistry, 1881; the School of Pharmacy, 1895; and the School of Law, 1895. When the Conservatory of Music was founded in 1906, community leaders began discussing the need for a university in Kansas City. The campus was established in 1930 with the first academic year beginning in 1933. In 1963, the University of Kansas City merged with the University of Missouri System, becoming the University of Missouri-Kansas City.

The selective institution offers extensive professional programs including a medical school, law school, and the state's only dental school.

University of Missouri-St. Louis

History

As the largest public research university in eastern Missouri, the University of Missouri–St. Louis prides itself on creating greater access to higher education and increased economic and social opportunity for nearly 16,000 diverse students.

Established in 1963 as the fourth campus of the University of Missouri System, UMSL offers a wide range of bachelor’s and master’s degrees and 17 doctoral degrees, including the only professional doctor of optometry program in Missouri. It annually confers more than 3,000 degrees and today boasts more than 108,000 alumni, 73 percent of whom choose to live and work in the surrounding area.

The success of UMSL, its students, faculty and alumni, is deeply entrenched in a campus-wide mission that reaches from the university’s own backyard to the wider world.

Missouri University of Science and Technology

History

The institution known today as Missouri University of Science and Technology was founded in 1870 as the University of Missouri School of Mines and Metallurgy. It was the first technological institution west of the Mississippi River and one of the first in the nation. Early academic programs focused on the mining and metallurgical industries, but the campus broadened its mission over time as the need for engineering and scientific education grew. The campus was renamed the University of Missouri–Rolla in 1964.

In 2008, it became Missouri University of Science and Technology to more accurately reflect its mission as a technological research university. Missouri S&T offers bachelor's degrees in 35 fields of engineering, science, humanities, business, and social sciences. Master of science degrees are offered in 36 disciplines, Ph.D. in 22 disciplines, and doctor of engineering in eight disciplines.

DEPARTMENT OF HIGHER EDUCATION & WORKFORCE DEVELOPMENT

PUBLIC TWO YEAR COLLEGES

Missouri has 12 community colleges, three of which – Metropolitan Community College, Ozarks Technical Community College, and St. Louis Community College – are multi-campus systems. Missouri also has a two-year campus of a public university (Missouri State University-West Plains), and one technical college (State Technical College of Missouri).

COMMUNITY COLLEGES

The Missouri Community College Association (MCCA) represents community colleges in legislative and policy discussions with the legislature and members of the executive branch. It is governed by a Presidents/Chancellors Council and Brian Millner serves as the President and CEO of the association. The group elects a chair, who serves a one-year term. Dr. Kimberly Beatty, chancellor of Metropolitan Community College, is chair. Dr. Joe Gilgour, president of Mineral Area College, is vice chair.

Crowder College

History

In 1963, the citizens of Newton and McDonald counties voted to establish Crowder College, a public community college. In the fall of 1964, the college began operation in buildings formerly occupied by Camp Crowder, a facility built In 1941 as part of the buildup leading into World War II.

It is an open admissions institution and offers certificate and associate degree programs in career and technical education and general education.

Faculty: 123 full-time, 192 part-time

Leadership

Dr. Chett Daniel

Locations

In addition to Crowder’s main campus in Neosho, the college has the following locations in its nine-county service region: Cassville, McDonald County, Nevada, and Webb City. The Joplin Advanced Training & Technology Center is a partnership with the city of Joplin and the Chamber of Commerce.

Metropolitan Community College

History

The institution known today as Metropolitan Community College began as Kansas City Polytechnic Institute, established by the Board of Education in 1915 as the first public institution of higher education in Kansas City. The school officially changed its name to the Junior College of Kansas City in 1919.

In 1964, seven suburban school districts joined with the Kansas City School District to create the Metropolitan Community College District. That year, the College Board of Trustees was also elected to govern the district. MCC's District now includes 15 Greater Kansas City area school districts.

As Kansas City expanded into the suburbs in the 1960s, so did MCC, opening the Longview, Maple Woods, and Penn Valley campuses in 1969. MCC-Blue River became the fourth campus in 1997. During the 2021-2022 academic year, MCC closed the Business & Technology campus (opened in 2002) and moved the programs housed there to three new buildings at Blue River and Penn Valley.

MCC is an open enrollment institution and offers certificate and degree programs in career and technical education and general education.

Faculty: 205 full-time, 1,258 part-time

Leadership

Dr. Kimberly Beatty

Missouri State University - West Plains

History

Missouri State University-West Plains was founded in 1963 as the West Plains Residence Center. In 1977, the name West Plains campus of Southwest Missouri State University was designated to replace Residence Center. In 1981, the legislature enacted a permanent status bill for the campus.

In 1991, the legislature passed House Bill 51 which gave the West Plains campus the authority to offer “one-year certificates, two-year associate degrees and credit and non-credit courses.” In 2005, Southwest Missouri State University was renamed Missouri State University.

The open admissions campus offers associate degrees designed for transfer into bachelor’s degree programs, as well as career-oriented degrees and certificates. Some bachelor’s and master’s degree programs also are available at the West Plains campus through Missouri State University’s Outreach program.

North Central Missouri College

History

Founded in 1925 as Trenton Junior College (TJC), North Central Missouri College is the second oldest community college in Missouri and the 75th oldest in the United States. The facilities have expanded from the top floor of the old high school to a sprawling campus, including Barton Farm Campus, Dr. Albert and Vera Cross Hall, historic E.D. Geyer Hall, and several outreach locations. For over 90 years, North Central Missouri College has been helping individuals reach their educational goals. Our small class sizes, highly qualified and caring instructors, tutoring services, and affordable tuition, make the goal of an excellent college education attainable.

North Central Missouri College is accredited by the Higher Learning Commission, a member of the North Central Association. NCMC is state and nationally ranked for affordable, quality education and training. NCMC is a proud participant of the A+ scholarship program and designated Military Friendly School. It is an open admissions institution and offers certificates and associate degrees in career, technical, and general education.

Faculty: 43 full-time, 46 part-time

Leadership

Dr. Lenny Klaver

Locations

In addition to NCMC’s main campus in Trenton, the college also has a residence center just outside Trenton and off-campus sites in Cameron, Chillicothe, Brookfield, Bethany, Maryville Country Club, and an upcoming site in Savannah.

St. Charles Community College

History

Since 1986, St. Charles Community College has been a quality higher education institution in Missouri. SCC started with nearly 400 students and has grown to become one of the larger community colleges in the state. Since its inception, four phases of construction created the beautiful 12-building main campus we know today. In 2017, SCC purchased its Dardenne Creek Campus, which was home of its Center for Healthy Living. The Dardenne Creek Campus expanded in 2020 with the opening of the Field to Table: Culinary and Agricultural Center. The college ushered in a new era as a residential campus in 2020, when its first students moved into its on-campus housing provided by a third-party private-public partner, the Campus Lake Apartments.

Accredited by the Higher Learning Commission, SCC offers a robust transfer program with more than 25 areas of interest. Additionally, the College offers more than 45 work-ready degrees, as well as non-credit programs, industry credentials and workforce training. SCC proudly celebrates diversity and enriches the economic and cultural vitality of our service region by providing an accessible, comprehensive and supportive environment for teaching and learning.

Three Rivers College

History

Three Rivers College was founded April 5, 1966, when citizens of the Southeast Missouri counties of Butler, Carter, Ripley, and Wayne voted into existence the College District. The college opened in storefront facilities in downtown Poplar Bluff, Missouri, with 138 students in the summer of 1967. Today, Three Rivers enrolls thousands of students at locations throughout Southeast Missouri, including an 80-acre campus in Poplar Bluff; full-service locations in Cape Girardeau, Dexter, Kennett, and Sikeston; as well as other locations, including Doniphan, Piedmont, and Van Buren.

Three Rivers College inspires, prepares, and empowers students to succeed through open access to high-quality learning opportunities that meet the community's needs. It offers certificates and associate degrees for students interested in college transfer or career-technical training, as well as transitional classes and continuing education courses.

Faculty: 56 full-time, 72 part-time

Leadership

Dr. Wesley Payne

Locations

In addition to TRC's main location in Poplar Bluff, the college has a residence center in Cape Girardeau in partnership with SEMO and Mineral Area College, as well as full-service locations in Dexter, Kennett, and Sikeston, and other locations in Doniphan, Piedmont, and Van Buren.
